"FOREST ACT."

PURSUANT to the above Act, His Honour the Lieutenant-Governor in Council has been pleased to approve the following regulations:—

REGULATIONS.

("Forest Act," R.S.B.C. 1924, Chapter 93.)

1. The following provisions shall apply and be observed in respect of every engine, that is to say, every locomotive, traction-engine, logging-engine, or stationary engine using fuel other than oil, which is used or operated during the close season in or within one-half of a mile from any forest or woodland:—

(a.) The engine shall be provided with a safe and efficient device for arresting sparks of a design approved in writing by the Forest Branch of the Department of Lands:

(b.) At the engine there shall be available at all times a sufficient supply of water for fire-fighting purposes, and the engine shall be equipped with 200 feet of hose 1 inch inside diameter, and a pump capable of forcing water to a height of 50 feet above the pump, which pump and hose shall always be ready for immediate use:

(c.) At the engine there shall be kept six 10-quart buckets, six shovels, three axes, and three mattocks, all of which shall be kept always in good repair, painted red, and shall be used only in case of fire.

2. The following provisions shall apply and be observed in respect of every industrial or logging operation conducted during the close season in or within one-half of a mile from any forest or woodland:—

(a.) In addition to the equipment in respect of engines required by the next preceding regulation, there shall be provided and maintained at a readily accessible place at the site of the industrial or logging operation, for the men employed therein up to the number of twelve, a set of tools consisting of six 10-quart buckets, six shovels, three axes, and three mattocks, said tools to be kept always in good repair, painted red, and to be used for no purpose other than fire fighting; and

- (b.) For every additional unit of twelve men so employed, or portion of any such additional unit of men, an additional set of tools as described in clause (a) shall be so provided and maintained;

but the Minister of Lands, upon written application for exemption, and upon report of a duly authorized officer of the Forest Branch that the granting of the exemption applied for is not inconsistent with the due safeguarding of the forest from fire, may by writing, for a period stated in the writing, but not in any case extending beyond the current calendar year, grant to the person conducting any such industrial or logging operation exemption from compliance with any or all of the provisions of this regulation.

3. Every person who sets out, starts, or kindles any fire in any forest or woodland for the purpose of cooking or obtaining necessary warmth:—

(a.) Shall not locate the fire against any log, stump, snag, or standing tree; and

(b.) Shall clear away all inflammable debris and material down to mineral soil for a space of 3 feet in every direction from the edge of the fire.

(4.) Where notices have been posted in conspicuous places in the vicinity of any forest or woodland, by the owner thereof or by an officer of the Forest Branch, prohibiting the setting-out of fire within the forest or woodland, no person shall for the purpose of cooking or obtaining necessary warmth set out, start, or kindle any fire within that forest or woodland; and no permit issued under the "Forest Act" authorizing the setting-out, starting, or kindling of fires for any such purpose shall extend to or apply within the area of any forest or woodland in respect of which notices have been so posted.

5. The compensation for voluntary or compulsory assistance in the fighting, controlling, or extinguishing any forest fire by persons who have been employed or summoned to assist, pursuant to the "Forest Act," by an officer or employee of the Forest Branch shall be as follows:—

25 cents per hour for fire-fighters:

30 cents per hour for straw-bosses or sub-foremen:

40 cents per hour for foremen:

Up to \$4 per day for cooks:

DOMINION ORDERS IN COUNCIL.

P.C. No. 578.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 4TH APRIL, 1927.

THE Committee of the Privy Council have had before them a report, dated 21st March, 1927, from the Minister of the Interior, submitting:—

That an application has been made to the Department of the Interior, on behalf of the Maple Ridge Lumber Company, Limited, and Port Haney Brick Company, Limited, for the right to occupy a portion of the bed of Fraser River in Township 12, East Coast meridian, in the Railway Belt in the Province of British Columbia;

That the land adjoining the foreshore is owned by the Canadian Pacific Railway Company, which, as riparian owner, has given its consent, in writing, to the issue of a lease to the applicants;

That the application has been referred to the Department of Public Works and the Department of Marine and Fisheries, and each of these departments has no objection to the granting of a lease of the required land by the Department of the Interior;

That the applicants have submitted surveys by a Dominion land surveyor showing the area required, two acres and one-tenth of an acre, which surveys are shown on a plan dated 27th November, 1925, and of record in the Department of the Interior under Number 34779, a blue-print of which is attached hereto; and

That the application has been favourably reported upon after a careful investigation by an Agent of the Department of the Interior.

The Minister recommends that he be authorized to issue a lease to the Maple Ridge Lumber Com-

pany, Limited, and Port Haney Brick Company, Limited, for the land as shown on the attached plan; the lease to be for a term of twenty-one years at an annual rental of \$125, and subject to cancellation upon six month's notice by the Minister of the Interior, and to be on such other terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing and submit the same for Your Excellency's approval.

Clerk of the Privy Council.

The Minister of the Interior. 2943-ap21

P.C. No. 516.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 26th day of March, 1927.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that an examination has been made of an area of land comprising approximately 2,230 square miles, lying on either side of the Fraser River, in the Railway Belt of British Columbia, and which may be more particularly described as follows: All ungranted lands in the Railway Belt in Townships 7 and 15, inclusive, Ranges 22 to 30, inclusive, west of the 6th meridian, and Range 1 west of the 7th meridian, and known in the records of the Department of the Interior as the Proposed Fraser Canyon Forest Reserve. That this tract has been found to consist almost entirely of non-agricultural mountainous territory, of value mainly for its scenic qualities and as a potential area for the growing of timber, and that it has, however, not been found possible up to the present time to make the detailed examination necessary to determine the exact boundaries for the purpose of an Act of Parliament dedicating the area a permanent forest reserve:

And whereas the Minister of the Interior further reports that a serious forest-fire hazard exists on the Proposed Fraser Canyon Forest Reserve; that the completion of the Fraser Canyon Highway across the area, with the consequent influx of tourists, will render the situation acute; that to secure adequate control of camping and tourist activities, and otherwise protect the scenic and potential forest values thereon, it is essential that the said Proposed Fraser Canyon Forest Reserve be administered under regulations similar to those in force on Dominion forest reserves:

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior and under the provisions of chapter 59 of the "Revised Statutes of Canada, 1906," is pleased to order as follows:—

1. The Proposed Fraser Canyon Forest Reserve as above described is hereby withdrawn from the operation of the regulations for the administration of Dominion lands within the Railway Belt of British Columbia, established by Order in Council of the 5th October, 1926 (P.C. 1512).

2. The said Proposed Fraser Canyon Forest Reserve shall be administered under regulations identical with the regulations for Dominion forest reserves, where not inconsistent with the "Railway Belt Act."

3. For the purpose of giving effect to the next preceding paragraph, the regulations for Dominion forest reserves as at present established and as the same may be amended from time to time shall be deemed to be the regulations and shall, *mutatis mutandis*, apply and be in force on the said Proposed Fraser Canyon Forest Reserve, where not inconsistent with the "Railway Belt Act."

Assistant Clerk of the Privy Council.

The Minister of the Interior. 2922-ap14

Friday, the 1st day of April, 1927.

PRESENT:

THE DEPUTY OF HIS EXCELLENCY THE
GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by an Order in Council of 21st February, 1927 (P.C. 254), title in certain lots in the Town of Golden (South) as shown on a map or plan of survey of the said townsite, being a subdivision of part of Section Twelve (12), Township Twenty-seven (27), Range Twenty-two (22), west of the fifth meridian, approved and confirmed at Ottawa on the 31st day of December, A.D. 1909, by Edouard Deville, Surveyor-General of Dominion Lands, and of record in the Department of the Interior, containing by admeasurement altogether ninety-hundredths (90/100) of an acre, more or less, was transferred from His Majesty in the right of Canada to His Majesty in the right of the Province of British Columbia, excepting thereout coal, petroleum, and natural gas:

And whereas the Minister of the Interior reports that, on account of a technical defect in the designation of the lands therein referred to, the said lots cannot be properly identified:

Therefore, the Deputy of His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to amend the said Order in Council (P.C. 254) and it is hereby amended by the addition, following the words "Cassiar Street," of the words "all in Block Five (5)."

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.
